21" 3M FLOOR PAD AQUA BURNISHING - 5/CS

- This floor maintenance buffing pad can be used with ultra-high speed floor machines that operate at 1500-3000 rpm.
- The pads are made of nylon and polyester fiber in a non-woven web having resins throughout and bonded to the web structure.
- They can be used with cord electric, battery electric, or propane powered machines. If you're looking for a "wet look" floor, you need the 3M Aqua pads!
