3M8511

FACIAL RESP MASKS N95 COMFORT W/COOL FLOW VALVE - 10/BX

- 3M™ Particulate Respirator 8511, N95 is a disposable particulate respirator that is designed to help provide reliable respiratory protection of at least 95 percent filtration efficiency against certain non oil based particles.

- The respirator is designed for use for particles such as those from grinding, sanding, sweeping, sawing, bagging, or other dusty operations.

- This respirator can also help reduce inhalation exposures to certain airborne biological particles (examples: mold, Bacillus anthracis, Mycobacterium tuberculosis).
