### # 5713 UPRIGHT VACUUM 13"/10 AMPS QUIET CLEAN HEPA FILT

- Sanitaire SC5713 vacuum is UL listed for commercial use and includes a washable HEPA filter that captures dust and allergen particles down to .3 microns in size- that's 240 times smaller than a human hair.
- Included with the vacuum are on-board tools and an oversized diameter hose resistant to clogging which stretches to 10 feet.
- Great for either professional or residential use this Sanitaire vac features the Sanitaire HEPA Vacuum System and may be just what you need to reduce the symptoms of allergies and asthma with a commercial vacuum cleaner.
