

Banish

Multi-purpose Deodorizer / Odor Eater

TECHNICAL DATA SHEET

DESCRIPTION

BANISH is an industrial strength line of concentrated floral fragranced, odor counteractants that control and eliminate all unpleasant organic, chemical and smoke odors at the source.

While the primary natural vocation of **BANISH** is to kill and control odors that are bacterial in origin, its quaternary ammonium chloride content makes **BANISH** a valuable sanitizer that is effective against a wide variety of gram-positive and gram-negative bacteria and safe to use on any water washable surface.

BANISH kills odors proficiently in washrooms, garbage cans, waste disposal bins, lockers, changing rooms, mop water, carpet cleaning solutions and anywhere offensive odors exist, leaving behind a pleasant floral fragrance.

DIRECTIONS FOR USE

CARPETS: To eliminate the smell of smoke, urine, vomit, mildew and other unpleasant odors, add 60 ml to 4.55 L of water. Highly recommended for use in hot water extractors. **CARPETS:** For direct application on carpet odors, pour a few drops of undiluted **BANISH** on source of odor. **AUTOMATIC SCRUBBING MACHINES:** Use 65 ml in 4.55 L of rinse water in machine, mopping tanks and buckets to eliminate « wet floor » odor. **ROOM DEODORIZING:** Spray lightly in the air to destroy offensive odors.

NURSING HOMES AND HOSPITALS: Pour a few drops of undiluted product into bed pans, urinals, toilets, drainage bottles, portable toilets, etc.

Consult a GILCO representative for more information.

PROPERTIES

Appearance :	Liquid
pH (1% solution) :	~7.5
Solubility :	Instant
