

Endure

Heavy Duty All Purpose Cleaner & Degreaser

TECHNICAL DATA SHEET

DESCRIPTION

ENDURE is a concentrated, highly alkaline, synergistic mix of grease cutting alkalis, surfactants, all synthetic solvents, and chelating agents. It produces tremendous results on daily cleaning of floors, painted walls, melamine, formica, glass and other hard, water washable, surfaces.

ENDURE grease cutting ingredients aid the surfactants to immediately penetrate under grease and grime, swiftly releasing them.

ENDURE sequestering and dispersing agents will scatter soil particles in the cleaning solution and prevent them from re-depositing on cleaned surfaces until rinsed away by clean water.

ENDURE cleans as it deodorizes, its fresh orange fragrance allows it to be used everyday for spray on or sponge cleaning and degreasing in kitchens, food service areas, office buildings, light industrial facilities, etc...

Exceptionally versatile, **ENDURE** is probably the only cleaner that will, alone, satisfy all cleaning and degreasing needs, quickly eliminating fat, oil, ink and dirt.

DIRECTIONS FOR USE

General cleaning	1-20	Wet-mopping, medium soil	1-20
Wall, ceilings, fixtures	1-8	Lavatory basins	1-5
Woodwork	1-8	Soap scum, shower rooms	1-1
Swimming pool area (tiles, etc.)	1-1	Vinyl, leather, plastic	1-8
Machinery, tools, engines	1-4	Wax and polymer removal	1-4
Heavy grime	1-4	Steam cleaning	1-20
Terrazzo, ceramic, concrete	1-4	Glass	1-160

Consult a GILCO representative for more information.

PROPERTIES

Appearance :	Liquid
pH (1% solution) :	~13.5
Solubility :	Immediate
Fragrance :	Orange
Color	Purple

PRECAUTIONS

PACKAGING CODE

4 L
 4 x 4 L
 20 L
 210 L

Do not use on food contact surfaces. Do not store in food processing or food storage areas. Do not contaminate food products.

ALL SURFACES SUBJECT TO CONTACT WITH FOOD MUST BE RINSED WITH POTABLE WATER BEFORE USE.

Keep out of the reach of children.
