FEBRECIEL

FEBREZE AIR EFFECTS DEODORANT AIR & SKY - 6 X 250GR/CS

- Odors. They're everywhere... lingering in the air or arising at the most awkward times.
- Forget masking them with some froo-froo spray; Febreze Air Effects actually eliminates air odors.
- This can of ahhh-some straight up removes stink with a neat little molecule called cyclodextrin (Bonus: It's naturally made from corn).
- And because Febreze AIR uses 100% natural propellants, you can confidently freshen your home every day. Looking for even more ways to breathe happy with Febreze?
