

# GermiDou

## Antiseptic / Antibacterial Hand Soap

# TECHNICAL DATA SHEET

### DESCRIPTION

**GERMIDOU** is a gentle, yet efficient, lotion hand soap, formulated with trusted anti-bacterial ammonium quaternary. Especially effective against a broad spectrum of both gram negative and gram positive bacteria.

**GERMIDOU** antiseptic lotion hand soap is a fashionable, luxurious blend of mild cosmetic grade cleaning agents, fortified with glycerin emollients and moisturizers, specifically formulated for users who wash their hands repeatedly such as doctors, veterinarians, dentists, nurses, pet shop employees and cooks.

**GERMIDOU** antiseptic lotion hand soap is the ideal general purpose hand cleaner for hospitals, nursing homes, institutions restrooms, doctors and dentists offices, veterinarians offices, food handling plants, restaurant kitchens, cafeterias, supermarkets, pet shops and all other critical areas. **GERMIDOU** odorless antiseptic lotion soap gives hands anti-microbial activity without a lingering medicinal smell.

### DIRECTIONS FOR USE

Wet hands with warm water and apply **GERMIDOU** generously. Rub hands together to produce a rich lather. Rinse well with clean warm water for a minimum of 10 seconds. Dry hands thoroughly.

**NOTE: KEEP FROM FREEZING.** If frozen, bring to room temperature (21°). Stir until homogeneous.

Consult a GILCO representative for more information.
