

Horizon

Glass & Windows Cleaner

TECHNICAL DATA SHEET

DESCRIPTION

HORIZON is a ready to use, glass and window cleaner that works proficiently on a variety of hard surfaces such as: windows, mirrors, porcelain, TV screens, counters, display cases, windshields, chrome appliances, enameled surfaces, formica, tiles, stainless steel, jewelry and much more.

HORIZON glass cleaner has been developed using a special blend of solvents and surfactants that work instantly to cut through grease, smoke film, fingerprints, grime and window film, leaving surfaces sparkling clean and streak free.

HORIZON provides glass and mirrors with a superb clarity, is water based and therefore non-flammable. It also contains isopropyl alcohol for a fast drying effect that makes the job quicker, reducing time and labor costs

DIRECTIONS FOR USE

Spray **HORIZON** on and wipe off with a cloth, paper towel or a squeegee.

Consult a GILCO representative for more information.
