WET MICROFIBER PAD 18" FOR Q/CONNECT, BLUE

- The ultra-fine microfiber is designed to allow an easy cleaning of dirt, dust and bacteria when compared with a traditional wet mop.
- The microfiber wet mop is the perfect tool for floor cleaning.
- Each of the microfiber wet mop pads include a velcro band to securely attach them to the Quick Connect pad holder.
- This microfiber fabric is designed to withstand up to 500 traditional launderings or 200 launderings with bleach.
