

Lagon

Liquid Laundry Detergent

TECHNICAL DATA SHEET

DESCRIPTION

LAGON is a concentrated, high efficiency surfactants blend with controlled suds providing all washable fabrics with excellent detergency and mildness.

Neutral in Ph, **LAGON**'s gentle chemistry preserves the finest linens, yet it is especially designed to be vigorous enough to power out even the toughest stains.

LAGON stain fighting liquid formula contains water additives for hard water situations and washes all washable fabrics well in hard, soft, hot and cold water.

LAGON delicate fragrance leaves clean clothes smelling fresh and elegant with a lavender aroma.

LAGON is phosphate free and safe on clothes. Non-toxic, biodegradable, and safe for septic and grey-water systems. **LAGON** contains no dyes, no optical brighteners and is not tested on animals.

DIRECTIONS FOR USE

- For a normal load, pour 125 ml of **LAGON** in the washer.
- For a heavy load, pour 250 ml of **LAGON** in the washer.
- For very stubborn stains, apply **LAGON** directly onto stain before putting clothes in the washer.

Consult your GILCO representative for more information.
