

TECHNICAL DATA SHEET

M134706

134706 BUCKET/WRINGER KIT DESC PRESSURE 44 PTES, GRAY

- Vileda bucket and wringer combos are designed to meet the demanding requirements of the most sanitary environments.
- The buckets are manufactured from high quality plastic that is injection molded.
- Unlike conventional foam buckets, our buckets are absolutely smooth, strong, durable, and easy-to-clean and sanitize which reduces breeding ground for bacteria.
