### ULTRASPEED PRO DOUBLE COMPLETE KIT

- Whatever your cleaning requirements, UltraSpeed Pro will dramatically raise your standards in speed, performance, versatility and ergonomics.
- The UltraSpeed and UltraSpeed Pro Systems both feature a lightweight, durable autoclavable frame.
- The 16" frame can be used with Ultraspeed pads, standard pocket mops and flat sponge cleanroom mops.
- Easy, fast rinsing and wringing of mops without removal of the frame.
- Improved foot pedal is larger and easier to step on and helps improve insertion into the wringer.
