

Magique

Concentrated Deodorizer / Odour Eater & Disinfectant

TECHNICAL DATA SHEET

DESCRIPTION

MAGIQUE is a concentrated, industrial strength, very pleasantly fragranced odour counteracting blend & sanitizer that controls and eliminates all unpleasant organic, chemical, and smoke odours at the source.

MAGIQUE kills odours proficiently in washrooms, garbage cans, waste disposal bins, lockers, changing rooms, mop water, carpet cleaning solutions and anywhere offensive odours exist leaving behind a pleasant variety of fragrances.

While the primary natural vocation of **MAGIQUE** is to kill and control odours that are bacterial in origin, its quaternary ammonium chloride content makes **MAGIQUE** a valuable sanitizer that is effective against a wide variety of gram-positive and gram-negative bacteria and safe to use on any water washable surface.

DIRECTIONS FOR USE

CARPETS: To eliminate odours of smoke, urine, vomit, mildew and other unpleasant odours, add 60 ml to 4.55 L of water. Highly recommended for use in hot water extractors. For direct application on carpet odours, pour a few drops of undiluted **MAGIQUE** on source of odour.

AUTOMATIC SCRUBBING MACHINES: Use 65 ml in 4.55 L of rinse water in machine, mopping tanks and buckets to eliminate « wet floor » odour.

ROOM DEODORIZING: Spray lightly in the air to destroy offensive odours.

NURSING HOMES AND HOSPITALS: Pour a few drops of undiluted product into bed pans, urinals, toilets, drainage bottles, urinals, portable toilets, etc.

Consult a GILCO representative for more information.
