

Maji-Net

Multi-Purpose Cream Cleanser

TECHNICAL DATA SHEET

DESCRIPTION

MAJI-NET is the ultimate buffing cream cleanser for reviving bathrooms, kitchens and swimming pools ceramic tiles, shower stalls, wash basins, sinks and bathtubs.

MAJI-NET will also clean and shine porcelain, enamel, vitreous ware, PVC windows and door frames, chrome, copper, brass, stainless steel, pots & pans, car tires and many other hard surfaces.

MAJI-NET cream cleanser combines the mechanic cleaning power of volcanic ash with the detergency of mighty surfactants and solvents, for a powerful deep cleaning, brightening and polishing of all surfaces not harmed by water, leaving them with a very pleasant, fresh pine odor.

MAJI-NET is the everyday cleaner that deals with even the toughest dirt. It quickly and easily removes soil, stubborn stains, grease, soap scum, heel scuff marks from all washable hard surfaces without scratching, and without oxidizing; leaving them smooth and clean with a lustrous wet shiny new look.

DIRECTIONS FOR USE

Shake well before using. Pour directly onto surface or on damp sponge.

Rub gently. Rinse or wipe clean. Close cap after use.

NOTE: This product contains a soft abrasive. Delicate surfaces might require special care.

Consult a GILCO representative for more information.
