

# FLOOR MACHINES

8  
NACECARE SOLUTIONS

### NR 17 / NR 20

These 17" and 20" direct drive models come complete with pad driver. Both feature cast metal housing and are heavy-duty units for stripping and scrubbing.

### NR 1520

This is a 20" direct drive that provides full-pad contact on the floor and features a free-floating, heavy-duty, spring-loaded handle.

### NA 17SS / NA 20SS

All steel construction and dual planetary steel gears make these tough enough for the heaviest of jobs.

### NA 1520 / NA 2020\*

Housed in an all-steel construction, multi-grooved drive belts provide efficient power transfer.

\* NA 2020 available in U.S. only
