

Pino-Crème

Multi-Purpose Cream Cleanser

TECHNICAL DATA SHEET

DESCRIPTION

PINO-CRÈME is a powerful cream cleanser that is capable of reviving bathrooms, kitchens and swimming pools ceramic tiles, shower stalls, wash basins, sinks and bathtubs.

PINO-CRÈME will also clean and bring out the shine in porcelain, enamel, vitreous ware, PVC windows and door frames, chrome, copper, brass, stainless steel, pots & pans, car tires and many other hard surfaces.

PINO-CRÈME cream cleanser combines the detergency of mighty surfactants and the emulsifying power of solvents for the deep cleaning brightening, and polishing of all surfaces unharmed by water, leaving them with a very pleasant, fresh pine odor.

PINO-CRÈME is the everyday cleaner capable of dealing with even the toughest dirt. It quickly and easily removes soil, stubborn stains, grease, soap scum and heel scuff marks from all washable hard surfaces without scratching or oxidizing, leaving them smooth and clean with a lustrous wet shiny new look.

DIRECTIONS FOR USE

Shake **PINO-CRÈME** before using. Pour directly on the surface to clean, rub with a sponge or a humid cloth. On a floor, **PINO-CRÈME** can be used with a mop. Rub gently. Rinse with clean water and wipe dry. Close the cap after usage.

Consult a GILCO representative for more information.
