

# Puissance

## All Purpose Cleaner / Degreaser & Deodorizer

# TECHNICAL DATA SHEET

### DESCRIPTION

**PUISSANCE** is a very alkaline concentrated cleaner. Its synergic formula of penetrating and confining agents, solvents and surfactants produces tremendous results in the daily cleaning of floors, walls, melamine, formica, pane and all other hard and water resistant surfaces.

The active agents found in **PUISSANCE** efficiently remove, without effort, all grease, oil, grass and other stains, while preventing their re-deposition on the cleaned surfaces until rinsed away with clear water.

**PUISSANCE** cleans and freshens. Its citrus fruit scent enables its daily use in the cleaning of kitchens, cafeterias, buildings, offices, industrial workshops, hospitals and health care establishments. Puissance can be used in both aerosol and liquid formats.

**PUISSANCE** is probably the only cleaner ideal for exceptionally flexible and polyvalent cleaning.

### DIRECTIONS FOR USE

General cleaning	1-20	Wet-mopping, medium soil	1-40
Wall, ceilings, fixtures	1-8	Lavatory basins	1-5
