

# Solution 22

## Grout & Tile Cleaner / Descaler

# TECHNICAL DATA SHEET

### DESCRIPTION

**SOLUTION 22** is a unique blend of mild mineral-based inorganic acids, organic wetting agents and solvents. The best cleaner and descaler for lime, rust film, tarnish, stone, scale, soap scum, organic dirt, grout from and between floor and wall tiles, vats, tanks, plastic, porcelain, utensils, dishwashing machines, metal, plastic and many other non-porous hard surfaces.

**SOLUTION 22** is also excellent for brightening dull aluminum and stainless steel table tops and counters, removing winter-abused salt and calcium stains from floors, saltpeter and concrete residues from brickwork and sandstone,.

Safe to use on all metal and plastic surfaces when used as directed.

**SOLUTION 22** is also used for soak cleaning.

Do not use **SOLUTION 22** on enameled surfaces.

### DIRECTIONS FOR USE

**SOLUTION 22** may be applied pure or diluted with water, 1-80 for normal soil levels, or 1-25 for heavy soil levels, with a clean mop or acid resistant brush.

Do not use in auto floor scrubbers with metal-lined tanks. Use approximately 1-130 of **SOLUTION 22** per tank to clean normal soils.

Use 1 part of **SOLUTION 22** in 80 parts water to wash and polish, aluminum and stainless, then rinse with clear water and dry.

Consult a GILCO representative for more information.

### PROPERTIES

Appearance :	Liquid
pH (1% solution) :	~2.0
Solubility :	Easy
Fragrance :	Lemony
Color	Pink

### PRECAUTIONS

#### PACKAGING CODE

4 L  
 4 x 4 L
