

Spanex

Heavy Duty Powder Floor Cleaner & Degreaser

TECHNICAL DATA SHEET

DESCRIPTION

SPANEX is a highly alkaline detergent which incorporates a blend of outstanding wetting, grease cutting ingredients and solvents which penetrate immediately under grease and grime, quickly releasing them.

SPANEX highly performing emulsifying agents rapidly carry out the emulsification of oil, greasy soils and dirt.

SPANEX sequestering and dispersing agents, scatter soil particles in the cleaning solution preventing their re-deposition on cleaned surfaces until easily rinsed away with clear water.

SPANEX free rinsing formula cleans as it deodorizes. **SPANEX** is a pine scented way to make all floors look clean and smell fresh.

DIRECTIONS FOR USE

Household, pour 250 ml of **SPANEX** in 10 L of hot water.

For very dirty and greasy industrial shop or garage floors, swift **SPANEX** directly on the surface to be cleaned and wet with hot water at first. Then clean with a hand brush or a machine.

Rinse well with clear water

Consult a GILCO representative for more information.
