ERGONOMIC TELESCOPIC HDL 40"-71" F/WALL WASHING TOOL

- This telescopic handle is made of durable high quality aluminum construction, and can be adjusted from 40" - 71" cm to suit every cleaner's physiognomy.
- The handle has an anti-slip top grip to reduce the slipping on walls, as well as colour coded clips. The ergonomic grip allows perfect blood circulation in hands and fingers, thereby reducing fatigue.
- The telescopic handles fit all kinds of Vileda Profesional frames.
