

## Fabuleux (Powder)

### Powder Dishwasher Detergent for Automatic Machines

# TECHNICAL DATA SHEET

#### DESCRIPTION

**FABULEUX** effective blend of highly alkaline and chlorinated ingredients, surfactants and emulsifiers is designed to quickly penetrate through and release margarine, oil, fat and stubborn baked on food residues, leaving dishes, glasses, cutlery, pots & pans film-free and sanitized after rinsing.

**FABULEUX** alkalis break down fat, protein and organic residues while its outstanding wetting, penetrating and emulsifying agents and water conditioners, create a perfect cleaning environment, even in hard and greasy water.

**FABULEUX** sequestering and dispersing agents scatter soil particles in the cleaning solution and prevent their re-deposition on cleaned tableware until easily rinsed away by clean water.

Fragrance and low controlled suds make **FABULEUX** the ideal detergent for machine washing of the most delicate glassware and chinaware leaving them sparkle clean and lemon scented.

#### DIRECTIONS FOR USE

1. HOT WATER: Minimum temperature 60°C (140°F)
2. Remove large food particles from dishes.
3. Face soiled surfaces toward water spray.
4. Place cups and glasses in upper rack.
5. Pour 1 tablespoon into dispenser. Use 2 tablespoons for heavily soiled dishes.

Consult a GILCO representative for more information.

#### PROPERTIES

Appearance :	Powder
pH (1% solution) :	~12.5
Solubility :	Easy
