

Velvet

Green Liquid Hand Soap

TECHNICAL DATA SHEET

DESCRIPTION

VELVET is a fashionable, luxurious hand soap made from the finest synthetic ingredients and scented with a variety of fragrances for a pleasant as well as functional hand cleaning.

VELVET is a ready to use hand soap that quickly and easily removes soils and greases without irritating or drying out even the most delicate skin, and leaving no residues behind. **VELVET** biodegradable hand care soap is fortified with glycerin, moisturizers and emollients to avoid depleting natural skin oils.

VELVET is the ultimate in gentle and effective skin cleaning of both light and heavy soils. It is the ideal hand soap for those who wash their hands frequently. Clean, enriched and moisturized hands are the result of **VELVET** regular use.

VELVET is used in restaurants, offices, institutions and restrooms.

DIRECTIONS FOR USE

Wet your skin and apply **VELVET** generously.

Rinse well with potable water.

Repeat if necessary.

Consult a GILCO representative for more information.
