Four Season Windshield Washer Solution

TECHNICAL DATA SHEET

DESCRIPTION

SPECTRUM four season windshield cleaning solution contains a non smearing blend of selected wetting, penetrating, emulsifying agents and special solvents that cut instantly through, road film, dead insects proteins, smoke, rubber marks, grease, grime, fingerprints and many other dirt residues, releasing and removing them from windshields, glass windows, headlights, glass surfaces, internal and external rear view mirrors.

SPECTRUM sequestering and dispersing agents, scatter soil particles in the cleaning solution preventing their re-deposition on cleaned surfaces until easily rinsed away by clean **SPECTRUM** solution.

SPECTRUM "ammonia free", ready to use, cleaning solution provides sparkling clean and streak free windshields, windows, headlights, glasses and all mirrors with a superb clarity down to -40° C.

DIRECTIONS FOR USE

Spray **SPECTRUM** on and wipe off with a cloth, paper towel or a squeegee.

Consult a GILCO representative for more information.
